DISPOSABLE GLOVES

POWERCOAT® Disposable Gloves

POWERCOAT® Disposable Gloves

Overview

PowerCoat disposable gloves are available in Nitrile or Tri-Polymer (Neoprene: Nitrile and Latex blend) gloves. Honeywell disposable gloves are quality manufactured for comfort and safety.

Features & Benefits:

- Disposable gloves offer excellent chemical and liquid protection.
- As with any chemical-resistant gloves please be sure to consult with your Sales: Technical or Customer Care Representative to be sure of choosing the best polymer for the chemical hazard.
